Guarantee

CONDITIONS

This goal post is manufactured to the very highest standards of quality, strength and durability. In the event of loss or damage of any part of your goal post frame we have a full spare parts back-up service. We strongly suggest you read carefully the instructions for use and adhere closely to all the warnings and fitting procedures to prevent damaging your goal. Any damage caused through misuse, or failure to follow the conditions set out in the fitting instructions or damage caused by severe weather conditions will not be covered by this guarantee. Do not use your goal in sub zero conditions. To make a claim for a replacement part under guarantee the damaged component must be returned to us for inspection within the set period of purchase date, (all carriage costs will not be refunded). After inspection if any part is found to be faulty they will be replaced free of charge including return carriage. This guarantee does not include crossbars that may dip over time due to misuse. This guarantee is only applicable in the U.K. mainland. For customers outside the United Kingdom costs of replacements parts and carriage are to be paid prior to despatch. This guarantee does not in any way effect your statutory rights. Any modification or repair made to the product will wholly invalidate this guarantee. Wear and tear items such as carry bags, goal nets, net ties, ground pegs and multi-surface anchors are subject to a 60 day guarantee only. Bags dragged on the ground, overloaded bags that have zips forced will not be covered. Nets used to pull out net pegs will not be covered if damage is to back retaining cord. Please carefully read fitting instructions and retain for reference. uPVC is guaranteed against snapping & creasing from normal use by children, it is not covered if heavy objects are dropped onto the tube - take care not to stand or drop objects onto ends of tube. Please note : retain your receipt - this will be required as proof of purchase in the event of a claim under this guarantee. We reserve the right to amend the specification of our goals in the interest of continual development, future goal post spare parts may therefore differ slightly. The guarantee starts from the date of purchase and is subject to our terms and conditions. The additional one years guarantee is only valid once you have registered by submitted your review. Registration must takes place within 14 days from the date of purchase. This guarantee is only applicable to the Itsa Goal uPVC goal range from the 6th November 2024 onwards.
